WHAT YOU'LL NEED

- A SquidgeWorld account

STEP BY STEP

1 Have your login ready

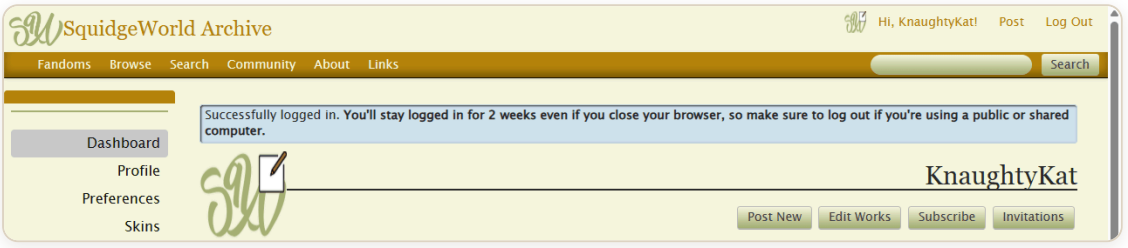

Your SquidgeWorld username and password. squidgeworld.org ↗

SquidgeWorld's Log in form: user name or email, password

2 Connect in PawPoller

Enter them in the SquidgeWorld fields in Settings.

What a working login looks like on SquidgeWorld: the Successfully logged in banner over your dashboard

WHERE IT GOES IN PAWPOLLER

Settings → SquidgeWorld → Username + Password

KEEPING IT ALIVE

Only if you change your password. Re-enter the new password.

GOOD TO KNOW

- SquidgeWorld runs the same software as AO3, so hits/kudos/comments work the same way.
